Novatech High Performance

The High Performance Door

Energy efficiency also goes through the front door

The front door can be considered the heart of your home. This is why we have taken the design of this steel door to another level in terms of energy performance. A door that keeps the cold winter air and the summer heat outside to make your home comfortable all year round.

- ✓ Improved Comfort
- ✓ Energy Efficiency
- ✓ Superior Durability
- ✓ Increased Security
- ✓ Unrivaled Soundproofing

Harmonious Design

The high performance door is available in six models that can be matched with the complete collection of decorative glass in triple glazed format.

Available models

Design Collection Doors

The unique doors of this collection are the perfect counterpart to the horizontal lines that triumph in contemporary architecture. Minimalist yet bold, their design brings contrast to strongly textured facades, making the entrance a striking visual element. Vivid or neutral in color, Design Collection doors never go unnoticed.

Grills 2x3 (Custom configuration)

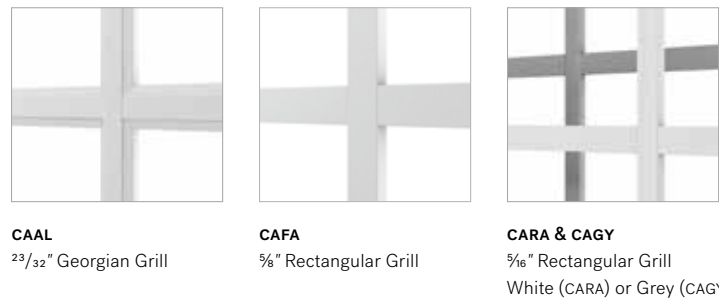

Grills

Grills are a great way to match your entrance to the rest of the windows on your classic style home. For a modern, contemporary look, choose a configuration with fewer dividers like our Classic and Country Style Grills. Best of all, our grills are between the glass meaning they are maintenance free and will never need to be cleaned.

NEW Standard+ Shaker-Modern XL by Garaga with Novatech Soho entry doors

Coordinating your entry door with your garage door

Depending on the architecture of your house, your garage door and entry door represent from 20 to 45% of its façade width, so it's important that they complement each other. Now, the manufacturers Garaga and Novatech are collaborating to make it easy to coordinate the look of your doors!
